VIRON 9

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|-------------|--------------|---------------|-------------|
| 01 | VN 9 MNRT R | Rechargeable | Upto 105dB | 2,40,000 |

Features

Dynamic Directionality™(High/Medium Focus), Dynamic Noise reduction™(4 Settings), Speech in noise (6 Settings), Comfort in Noise (4 Settings), ChannelFree™, Speech Cue Priority™, Dynamic Feedback Cancellor™, Low Frequency Enhancer, Frequency Composition^{next}, Binaural Noise Manager, Transient Noise Reduction (4 Options), Wind Noise Manager, Dynamic Range Extender, Soft Noise Management, Freq. Bandwidth upto 10kHz, 16 Fitting Bands, 3 directionality options, True Directionality™, 14 Program options, Binaural Coordination, Automatic Adaptation Manager, Transition Level (4 Options), Data Logging, Tinnitus Sound Support, Made for iPhone, iPad & iPod, 2.4 GHz Bluetooth Low Energy & NFMI Technology.

VIRON 7

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|-------------|--------------|---------------|-------------|
| 02 | VN 7 MNRT R | Rechargeable | Upto 105dB | 2,00,000 |

Features

Dynamic Directionality™(Medium Focus), Dynamic Noise reduction™(4 Settings), Speech in noise (6 Settings), Comfort in Noise (4 Settings), ChannelFree™, Speech Cue Priority™, Dynamic Feedback Cancellor™, Low Frequency Enhancer, Frequency Composition^{next}, Binaural Noise Manager, Transient Noise Reduction (3 Options), Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 14 Fitting Bands, 2 directionality options, 13 Program options, Binaural Coordination, Automatic Adaptation Manager, Transition Level (3 Options), Data Logging, Tinnitus Sound Support, Made for iPhone, iPad & iPod, 2.4 GHz Bluetooth Low Energy & NFMI Technology.

VIRON 5

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|-------------|--------------|---------------|-------------|
| 03 | VN 5 MNRT R | Rechargeable | Upto 105dB | 1,25,000 |

Features

Dynamic Directionality™(Medium Focus), Dynamic Noise reduction™(3 Settings), Speech in noise (2 Settings), ChannelFree™, Speech Cue Priority™, Dynamic Feedback Cancellor™, Low Frequency Enhancer, Frequency Composition^{next}, Transient Noise Reduction (3 Options), Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 12 Fitting Bands, 2 directionality options, 13 Program options, Binaural Coordination, Automatic Adaptation Manager, Transition Level (2 Options), Data Logging, Tinnitus Sound Support, Made for iPhone, iPad & iPod, 2.4 GHz Bluetooth Low Energy & NFMI Technology.

VIRON 3

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|-------------|--------------|---------------|-------------|
| 04 | VN 3 MNRT R | Rechargeable | Upto 105dB | 57,500 |

Features

Dynamic Directionality™ (Low Focus), Dynamic Noise reduction™, ChannelFree™, Speech Cue Priority™, Dynamic Feedback Cancellor™, Low Frequency Enhancer, FrequencyComposition^{next}, Transient Noise Reduction, Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 8 Fitting Bands, 2 directionality options, 10 Program options, Binaural Coordination, Automatic Adaptation Manager, Data Logging, Tinnitus Sound Support, Made for iPhone, iPad & iPod, 2.4 GHz Bluetooth Low Energy & NFMI Technology.

VIRON 1

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|-------------|--------------|---------------|-------------|
| 05 | VN 1 MNRT R | Rechargeable | Upto 105dB | 42,500 |

Features

Dynamic Directionality™ (Low Focus), Dynamic Noise reduction™, ChannelFree™, Speech Cue Priority™, Dynamic Feedback Cancellor™, Low Frequency Enhancer, Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 8 Fitting Bands, 2 directionality options, 10 Program options, Binaural Coordination, Automatic Adaptation Manager, Data Logging, Tinnitus Sound Support, Made for iPhone, iPad & iPod, 2.4 GHz Bluetooth Low Energy & NFMI Technology.

ZERENA 9

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|-----------------------------|---------|---------------|-------------|---|
| 06 | ZR 9 MNR ^{WL} | 312 | Upto 105dB | 2,00,000 | Dynamic Directionality (High Focus), Dynamic Noise reduction (4 Settings), Speech in noise (6 Settings), Comfort in Noise (4 Settings), ChannelFree, Speech Cue Priority, Low Frequency Enhancer, Frequency Composition, Binaural Noise Manager, Adaptive Feedback Canceller, Transient Noise Reduction (4 options), Wind Noise Manager, Dynamic Range Extender, Soft Noise Management, Freq. Bandwidth upto 10kHz, 16 Fitting Bands, 3 directionality options, True Directionality, 14 Program options, Binaural Coordination, Automatic Adaptation Manager, Transition Level (3 Options), Data Logging, Tinnitus Sound Support, Hydrophobic coating, IP 68 rated, NearField Magnetic Induction (NFMI), 2.4 GHz BlueTooth Stereo Streaming |
| 07 | ZR 9 ITE (HS) ^{WL} | 13 | Upto 105dB | 2,00,000 | |
| 08 | ZR 9 ITC ^{WL} | 312 | Upto 90dB | 2,00,000 | |
| 09 | ZR 9 IIC P | 10 | Upto 100dB | 2,00,000 | |
| 10 | ZR 9 IIC | 10 | Upto 90dB | 2,00,000 | |
| | | | | | |

ZERENA 7

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|----------------------------|---------|---------------|-------------|---|
| 11 | ZR 7 MNR ^{WL} | 312 | Upto 105dB | 1,50,000 | Dynamic Directionality (Medium Focus), Dynamic Noise reduction (4 Settings), Speech in noise (4 Settings), Comfort in Noise (2 Settings), ChannelFree, Speech Cue Priority, Low Frequency Enhancer, Frequency Composition, Binaural Noise Manager, Adaptive Feedback Canceller, Transient Noise Reduction (3 options), Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 14 Fitting Bands, 2 directionality options, 13 Program options, Binaural Coordination, Automatic Adaptation Manager, Transition Level (3 Options), Data Logging, Tinnitus Sound Support, Hydrophobic coating, IP 68 rated, NearField Magnetic Induction (NFMI), 2.4 GHz BlueTooth Stereo Streaming |
| 12 | ZR 7 ITE(HS) ^{WL} | 13 | Upto 105dB | 1,50,000 | |
| 13 | ZR 7 ITC ^{WL} | 312 | Upto 90dB | 1,50,000 | |
| 14 | ZR 7 IIC P | 10 | Upto 100dB | 1,50,000 | |
| 15 | ZR 7 IIC | 10 | Upto 90dB | 1,50,000 | |
| | | | | | |

ZERENA 5

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|-----------------------------|---------|---------------|-------------|---|
| 16 | ZR 5 MNR ^{WL} | 312 | Upto 105dB | 90,000 | Dynamic Directionality (Medium Focus), Dynamic Noise reduction (3 Settings), Speech in noise (2 Settings), Channel-Free, Speech Cue Priority, Low Frequency Enhancer, Frequency Composition, Adaptive Feedback Canceller, Transient Noise Reduction (3 options), Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 12 Fitting Bands, 2 directionality options, 13 Program options, Binaural Coordination, Automatic Adaptation Manager, Transition Level (2 Options), Data Logging, Tinnitus Sound Support, Hydrophobic coating, IP 68 rated, NearField Magnetic Induction (NFMI), 2.4 GHz BlueTooth Stereo Streaming |
| 17 | ZR 5 ITE (HS) ^{WL} | 13 | Upto 105dB | 90,000 | |
| 18 | ZR 5 ITC ^{WL} | 312 | Upto 90dB | 90,000 | |
| 19 | ZR 5 IIC P | 10 | Upto 100dB | 90,000 | |
| 20 | ZR 5 IIC | 10 | Upto 90dB | 85,000 | |
| | | | | | |

ZERENA 3

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|-----------------------------|---------|---------------|-------------|---|
| 21 | ZR 3 MNR ^{WL} | 312 | Upto 105dB | 52,500 | Dynamic Directionality (Low Focus), Dynamic Noise reduction , ChannelFree, Speech Cue Priority, Low Frequency Enhancer, Frequency Composition, Adaptive Feedback Canceller, Transient Noise Reduction, Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 10 Fitting Bands, 2 directionality options, 10 Program options, Binaural Coordination, Automatic Adaptation Manager, Data Logging, Tinnitus Sound Support, Hydrophobic coating, IP 68 rated, NearField Magnetic Induction (NFMI), 2.4 GHz BlueTooth Stereo Streaming |
| 22 | ZR 3 ITE (HS) ^{WL} | 13 | Upto 105dB | 52,500 | |
| 23 | ZR 3 IIC P | 10 | Upto 100dB | 52,500 | |
| 24 | ZR 3 ITC ^{WL} | 312 | Upto 90dB | 50,000 | |
| 25 | ZR 3 IIC | 10 | Upto 90dB | 50,000 | |
| | | | | | |

ZERENA 1

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|-----------------------------|---------|---------------|-------------|---|
| 26 | ZR 1 MNR ^{WL} | 312 | Upto 105dB | 37,500 | Dynamic Directionality (Low Focus), Dynamic Noise reduction, ChannelFree, Speech Cue Priority, Low Frequency Enhancer, Adaptive Feedback Canceller, Wind Noise Manager, Soft Noise Management, Freq. Bandwidth upto 8kHz, 8 Fitting Bands, 2 directionality options, 10 Program options, Binaural Coordination, Automatic Adaptation Manager, Data Logging, Tinnitus Sound Support, Hydrophobic coating, IP 68 rated, NearField Magnetic Induction (NFMI), 2.4 GHz BlueTooth Stereo Streaming |
| 27 | ZR 1 ITE (HS) ^{WL} | 13 | Upto 105dB | 37,500 | |
| 28 | ZR 1 ITC ^{WL} | 312 | Upto 90dB | 37,500 | |
| 29 | ZR 1 IIC P | 10 | Upto 100dB | 37,500 | |
| 30 | ZR 1 IIC | 10 | Upto 90dB | 35,000 | |

LEGACY PRODUCTS

JUNA 9

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|-------------|---------|---------------|-------------|---|
| 31 | JU 9 PRx | 312 | Up-to 105dB | 1,00,000 | True Directionality TM *, Reverb Reduction*, Comfort in Airplane Program*, Adaptive High-Frequency Directionality*, VC Learning Limits* and Smart VC*, Up to 16 listening program options, Speech Cue Priority TM , Frequency Composition TM , i-VC, Adaptive Feedback Canceller Plus, Adaptive Noise Reduction Plus, Transient Noise Reduction, Binaural Coordination, Live Music & Cinema Programs, Wireless Connectivity, REMfit TM , Digital signal processing up to 10 kHz, Environment Optimizer, Auto Telephone detection, Data Logging, Data Learning, 4 Freely assignable program slots, Non-telephone ear attenuation |
| 32 | JU 9 IICx | 10 | Up-to 80dB | 1,00,000 | |
| 33 | JU 9 CICx | 10 | Up-to 80dB | 1,00,000 | |
| 34 | JU 9 CICPx | 10 | Up-to 100dB | 1,00,000 | |
| 35 | JU 9 ITCPDx | 312 | Up-to 100dB | 1,00,000 | |

SAPHIRA 5

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|-------------|---------|---------------|-------------|--|
| 36 | SA 5 PRx | 312 | Up-to 105dB | 80,000 | Speech Cue Priority TM , Frequency Composition TM , Adaptive Feedback Canceller Plus, Adaptive Noise reduction Plus, Transient Noise Reduction*, Binaural Coordination, Live Music * and Cinema Programs*, Wireless Connectivity, REMfit TM , Digital signal processing up to 8kHz, Auto Telephone detection, Data Logging, Data Learning*, Up to 15 listening program options, 4 freely-assignable program slots |
| 37 | SA 5 IICx | 10 | Up-to 80dB | 75,000 | |
| 38 | SA 5 CICx | 10 | Up-to 80dB | 75,000 | |
| 39 | SA 5 CICP | 10 | Up-to 100dB | 75,000 | |
| 40 | SA 5 ITCPDx | 312 | Up-to 100dB | 75,000 | |

CARISTA 3

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|------------|---------|---------------|-------------|--|
| 41 | CA 3 ITCDx | 312 | Up-to 85dB | 55,000 | Adaptive Directionality, Adaptive Feedback Canceller Plus, Adaptive Noise Reduction Plus, Binaural Synchronization, Wireless Connectivity, REMfit TM , Up to 8 kHz, Data Logging, Up to 10 listening program options, 4 freely-assignable program slots |
| 42 | CA 3 NRx | 312 | Up-to 105dB | 50,000 | |
| 43 | CA 3 CICP | 10 | Up-to 100dB | 50,000 | |
| 44 | CA 3 ITCPD | 312 | Up-to 100dB | 50,000 | |
| 45 | CA 3 Cpx | 13 | Up-to 110dB | 50,000 | |

SAPHIRA 3

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|-------------|---------|---------------|-------------|--|
| 46 | SA 3 PRx | 312 | Up-to 105dB | 32,500 | Speech Cue Priority TM , Frequency Composition TM , Adaptive Feedback Canceller Plus, Adaptive Noise Reduction Plus, Binaural Coordination, Wireless Connectivity, REMfit TM , Digital signal processing up to 8kHz, Auto Telephone detection, Data Logging, Up to 12 listening program options, 4 freely- assignable program slots |
| 47 | SA 3 CPx | 13 | Up-to 110dB | 30,000 | |
| 48 | SA 3 CICP | 10 | Up-to 100dB | 30,000 | |
| 49 | SA 3 CICx | 10 | Up-to 80dB | 28,000 | |
| 50 | SA 3 ITCPDx | 312 | Up-to 100dB | 28,000 | |

NEVARA 1

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) | Features |
|-------|------------|---------|---------------|-------------|---|
| 52 | NE 1 NR/PR | 312 | Up-to100dB | 25,000 | Speech Cue Priority™, Adaptive Feedback Canceller Plus, Adaptive Noise Reduction Plus, Binaural Coordination, REMfit™, Up to 8 kHz, Automatic Directionality, Auto Telephone detection, Data Logging, Up to 7 listening program options, 4 freely-assignable program slots, Wireless Connectivity |
| 53 | NE 1 P BTE | 13 | Up-to100dB | 18,000 | |
| 54 | NE 1 CPx | 13 | Up-to110dB | 20,000 | |

SUPER POWER

LEOX 7

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|-------------|---------|---------------|-------------|
| 78 | LX 7 BTE UP | 675 | Upto 120dB | 1,60,000 |
| 79 | LX 7 BTE SP | 13 | Upto 120dB | 1,35,000 |

Features

Dynamic Noise Management*- Dynamic Directionality (Medium Focus), Dynamic Noise reduction (4 Settings), Dynamic Amplification Control*- Speech in noise (4 Settings), Comfort in Noise (2 Settings), Dynamic Speech Processing*-ChannelFree Processing*, Speech Cue Priority*, Dynamic Feedback Cancellor*, Speech-Low Frequency Enhancer, Frequency Composition, Comfort-Binaural Noise Manager, Transient Noise Reduction (3 options), Wind Noise Manager, Dynamic Range Extender, VC Step Size, Soft Noise Management, Processing- Freq. Bandwidth upto 10kHz, 14 Fitting Bands, Directionality Controls- 2 directionality options (Fixed Directional & Fixed Omni), Individualization- 13 Program options, Binaural Coordination, Automatic Adaptation Manager, Transition Level (3 Options), Data Logging, Multicolor LED, Tinnitus Sound Support

LEOX 3

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|-------------|---------|---------------|-------------|
| 80 | LX 3 BTE UP | 675 | Upto 120dB | 51,000 |
| 81 | LX 3 BTE SP | 13 | Upto 110dB | 45,000 |

Features

Dynamic Noise Management* - Dynamic Directionality (Low Focus), Dynamic Noise reduction, Dynamic Amplification Control*, Dynamic Speech Processing*-ChannelFree Processing*, Speech Cue Priority*, Dynamic Feedback Cancellor*, Speech-Low Frequency Enhancer, Frequency Composition, Comfort- Transient Noise Reduction, Wind Noise Manager, VC Step Size, Soft Noise Management, Processing- Freq. Bandwidth upto 10kHz, 10 Fitting Bands, Directionality Controls- 2 directionality options (Fixed Directional & Fixed Omni), Individualization- 10 Program options, Binaural Coordination, Automatic Adaptation Manager, Data Logging, Multicolor LED, Tinnitus Sound Support

SUPREMIA 7

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|----------|---------|---------------|-------------|
| 82 | SR 7 SPx | 13 | Up-to120dB | 75,000 |

Features

True Directionality™*, Environment Optimizer*, Auto Telephone detection*, Smart VC *, Transient Noise Reduction*, Reverb Reduction*, Up to 13 listening program options, Includes all features of Supremia 3.

SUPREMIA 3

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|----------|---------|---------------|-------------|
| 83 | SR 3 SPx | 13 | Up-to 120dB | 29,500 |

Features

Speech Cue Priority™, Frequency Composition™, Adaptive Directionality, Dust and water protection (IP58), LED indicator, Data Logging, Up to 11 listening program options, 4 freely-assignable program slots, 1 dB VC step option, adaptive Feedback Cancellor Plus, Adaptive Noise Reduction Plus, Binaural Coordination, Wireless Connectivity, REMfit™

XTREME

| S.No. | Model | Battery | Fitting Range | M.R.P.(INR) |
|-------|--------|---------|---------------|-------------|
| 84 | XT 120 | 675 | Up-to120dB | 35,000 |
| 85 | XT 121 | 675 | Up-to120dB | 27,500 |

Features

5 Channel | Super Power Digital | Gain 85 db | Max O/P 144 dB SPL | Power Boost Technology (Receiver Venting) | Adaptive Feedback Cancellor with Additional Feedback Manager | In-situ Audiometry | TriQualizer™ | Programmable Volume Control | Programmable Status Light | 8 Bands Adaptive Noise Reduction | Soft Noise Management™ | FM and DAI Compatible

OPTIONS / ACCESSORIES

Charger

Bernafon's induction based wireless charger with integrated USB cable to facilitate easy charging.

Price (INR)

9,000

Rechargeable Battery

Bernafon's rechargeable batteries with "No memory effect" helps to use for a longer period with very less energy discharge.

Price (INR)

2500

SoundClip - A

The SoundClip-A is a versatile accessory for boundless sound streaming and "made for all phones" hands-free phone conversations to both ears. It is compatible with Android™, iPhone® and many other 2.4 GHz standard Bluetooth® audio devices having bluetooth 2.1 or later.

Price (INR)

20,000

Soundgate 3

Wireless technology plus Bernafon hearing aids equals SoundGate 3 - the sophisticated link between our solutions and Bluetooth®-enabled wireless devices. It enables:

- 1) Hands-free mobile phone use.
- 2) Minimal noise interference.
- 3) Also acts a complete remote control for the hearing aid.

Price (INR)

20,000

TV Adapter 2 Pro

Bernafon's TV Adapter 2 enables you to enjoy watching TV again. The small and portable device connects easily to any television set.

Price (INR)

18,000

Soundgate MIC

Clients have maximum flexibility when controlling the SoundGate Mic via SoundGate 3. With an overall weight of only 13 grams, the classic black design, and six hours of constant talking time, the SoundGate Mic is a light and discreet yet powerful device.

Price (INR)

20,000

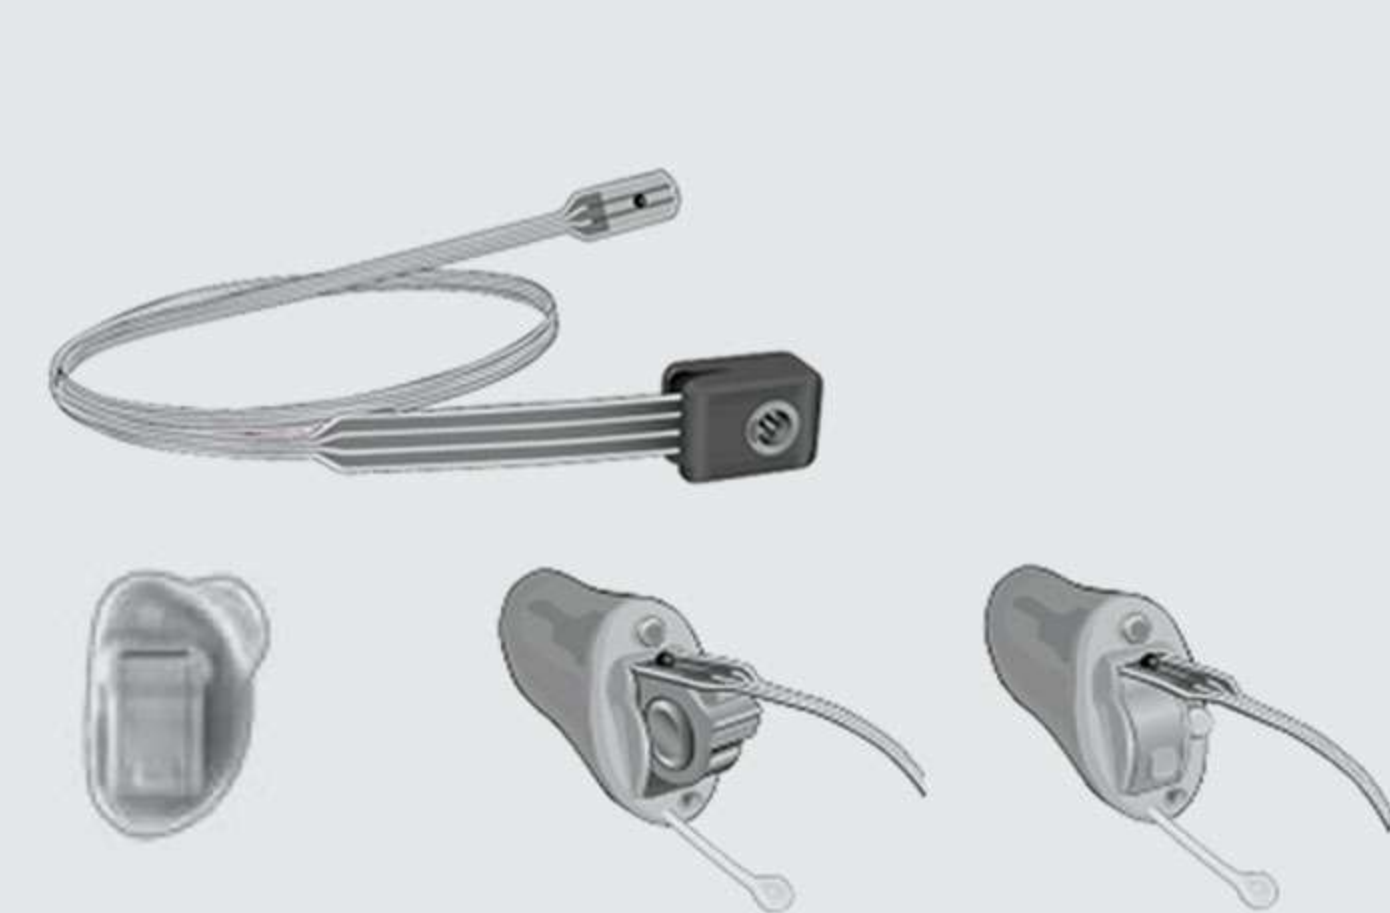

| Particulars | Receiver Unit | Tele/Remote Coil/Push Button | Domes (Pack of 10 nos) | Spira (open Fit Thin Tuber) |
|-------------|---------------|------------------------------|------------------------|-----------------------------|
| M.R.P.(INR) | 5,000 | 3,000 | 1,000 | 300 |

*Optional at Extra Cost - Power PICO RITE receiver with customised Mould Charges extra @ Rs. 5000 + 12% GST per Hearing Aid.

NOTE:

- 1) This pricelist supercedes all previous pricelist and is subject to change without any prior notice.
- 2) Prices indicated are maximum recommended retail price.
- 3) All Bernafon hearing aids carry 2 years warranty from date of sale (including 1 year international warranty).
- 4) "x" denotes wireless connectivity in the model except for Inizia 1 & Inizia 3. (may not be mentioned on product packing.)
- 5) All MRPs are per unit price.
- 6) All accessories carry 1 year warranty from date of sale.
- 7) 12% GST will be levied on all accessories.
